

Completing Your District 16 Application

With the 2018 form, when you open it, the PDF can be completed right on your computer. Type in all the info, and then print it. This eliminates handwriting issues.

The option of printing, and then writing in the info can still be done if needed.

The form is actually pretty simple, but here are a few important notes to help you better understand it, and avoid potential problems.

When in doubt about classes, age requirements or such, always review the rules in the AMA Rule book, and Supplementary rules on our www.amadistrict16.com web site under "Rules"

- Total cost \$35 (after 2/5), \$30 prior.
- AMA number is your membership number from AMA, not your racing number.
- Primary Interest, please choose one, but know you can compete, and collect points in any D16 event you wish.
- Hare Scramble riding number, indicate as requested.
- Dirt Track numbers, use last two of your AMA number.
- Enduro, Hillclimb, Dual Sport, Trials and Road; numbers are NOT issued for these divisions.

MOTOCROSS ONLY:

Motocross Numbers, bottom half of the application:

- 1-10 are reserved for prior year's winners if they choose to race that number. NO leading zero's (0) or any part of the alphabet allowed.
- MX, we will hold your prior year's number in your same prior year class until the deadline. Example: you raced 250C with #123 this year and you are racing 250A, B or C, if you get your renewal in by the deadline and request the same number you will get it in that class.

- Motocross class categories:

51cc classes*	numbers 11-999
65cc*, 85cc*and	numbers 11-999
Schoolboy* and 250A, B, C	numbers 11-999
Open A, B, C	numbers 11-999
+25A/B, +30A, B, +40A, B/C, +50	numbers 11-999
Women	numbers 11-999
125cc, 14-24 B/C, 2-Stroke B/C	numbers 11-999

**Indicates Youth based class for determining age.*

- If were a C rider and move up to B level, you will be able to keep your number in that class if you renew by the deadline. If you were B in 250 and now are also 30 years old, and want to also race vet, you would be guaranteed your number in 250, but adding a class does not guarantee that number in the added/ new class.

- After deadline all numbers that are not renewed will be released on a first come first served basis. If you are renewing one or more classes without any changes your application will be processed asap after the deadline or sooner. If you have any number or class changes your application will be on hold (in order received) until all "same" applications are processed. Then once numbers are released after the February 6th deadline, all applications will be processed as quickly as possible.

Using Acrobat reader, type in all the info to complete application, then print and mail it.

2018 RENEWALS WILL NOT BE MAILED - Use this form.

Selecting your MX numbers

Include several choices, numbers assigned first come, first serve basis. If none of your choices are available, we will assign one. Unique numbers are assigned by group, such as the Mini classes, or in the Adult Age group classes. Numbers 1-10 are reserved for last year's top finishers. *Choices may not begin with a zero or have letters, and must contain two or three digits.*

• If renewing from the year prior, your number was only held through Feb. 6th.

Tip - The more classes you select, the harder it may be to get your number of choice.

Determining Age

Youth classes including PeeWee, Mini, and Schoolboy - age is based on rider age on January 1st, 2018. Example; if your child is 6 years old on January 1st 2018, they may ride 51cc 4-6 through the '18 season.

Amateur classes include all other classes. Your eligibility is based on your actual birth date. Example, you turn 25 years of age July 1, that day, and after you may participate in the +25 class.

For complete rules, see the AMA rule book, and supplementary rules under "RULES" at www.amadistrict16.com
