- E. Riders will receive points based on place finished.
  - 1.\*No advancement for out of district riders will be given for points.

10. Worker Points: Riders will receive worker points for up to three events per year in which they work an event. For the first event of the year a rider works, they will receive 35 points towards their class and state ranking total. For the second events of the year that a rider works, they will receive 21 points or their average finish whichever is higher for that event.

10.5 Worker points awarded to riders in all classes.

10.6 Worker points paid to rider based on event referee discretion. District recommends 8hrs of work plus work the full day of the event.

11. Designated sweepers will run throughout the entire day of racing. No one else is allowed on the track.

12. Aid of a downed rider:

- A. A racer who stops to aid another rider who has sustained serious injuries will be awarded the average of his/her season points for that event.
- B. OR If the racer can complete the event, the racers laps effected by the down rider situation will be adjusted according to the average of the previous laps in that event.
- C. The helping racer must remain with the injured rider until qualified help arrives.

13. Class advancement will be determined by the official AMA Advancement system.

14. If District 16 is scoring a club/promoter's event, an entry fee of \$1.00 (subject to change) per entrant will be due the day of the event. This fee should be given to the District Director and made payable to AMA District 16 Council. All riders regardless of district affiliation are included for this fee.

15. Clubs/Promoters will provide a minimum of three people to assist with registration and scoring. Two people are needed for scoring. One should have computers skills and the other will manually hand enter racer laps. The third person will be handling sign up. This person should have STRONG computer skills as this is racer entry. The District Director will train volunteers in the morning at the start of the day's event.

16. Clubs will give free entry to the District Director or a District Director's appointed person as well as one guest. Free race entries will also be given to the District Director or appointed person.

17. Protests and Offenses: The AMA rule book and AMA District 16 Supplemental rules will be observed. If these must be modified in the best interests of the overall event, a three-person committee of neutral parties, including the Event Referee, the District Director and one other person will make the required decisions.

# Enduro

1. District 16 points will be awarded as follows:
  - A. Enduro's of 50 miles or more.
  - B. Closed Course Enduro's of 3 miles or more covered three or more times.
  - C. Sprint Enduro's with each test a minimum of 2 miles and run a minimum of three times.
  - D. Riders must have made it at least to the first check point to receive district points for that event.
2. Enduro Equipment:
  - A. Equipment must be manufactured for the express purpose of being used on motorcycles and the equipment must be mounted in a safe and secure manner.
  - B. It is recommended by the District 16 Council that an equipment check be made by the Event Referee and/or the District Director at the time of the enduro. Any malfunctioning equipment must be repaired to the referee's satisfaction or the rider will be disqualified.
  - C. Riders are to make every reasonable effort to compete on a motorcycle that is at or below the AMA's 96 decibel limit at all events where the promoting club does not require a sound check to be passed before competition.
3. Competitor Behavior:
  - A. Riders should not put themselves in a position to jeopardize other riders, land, animals, and/or spectators.
  - B. Slower riders should give way to faster riders.
  - C. Riders should report all unusual conditions to persons operating checkpoints, referees, layout crews, and/or the police.
  - D. Riders should refrain from smoking in fire hazard areas.
4. General Rules:
  - A. Final scoring may be done at the starting point. You may or may not elect to have an observed check at the finish point if this option is used. However, these conditions must be spelled out on the route sheet so all riders are informed.
  - B. When a rider carries his own score card and loses it, 10% of the points lost will be assessed with a minimum of one point, and any fractional parts will be rounded off to the next highest whole number. The affected rider must be scored upon request to the referee. District 16 riders must identify their score cards with a 16 within a circle on the top of the score card to get district 16 points. For those events scored electronically, and have backup scores taken, the electronic identification tag or transponder will be treated like the riders score card for this rule.
  - C. Those riders who are classified as AMA District 16 B Riders will be notified prior to the first enduro or at sign-up. All C class trophy winners will be checked against AMA District B rider list at each event. If a District B rider is found to have entered as a C rider, that rider will be disqualified for that day's event.
  - D. If you host an enduro, the following classes are to be included, but not limited to:  
AA, A, B, C, 30, +40, +50, +60 and Vintage.
  - E. If you host a closed course or a sprint enduro, the following classes are to be included, but not limited to:  
50cc/E-Bike Beginner, 50cc/E-Bike Senior, 65cc, 85cc/Supermini  
AA, A, B, C, 30, +40, +50, +60 and Vintage.
