q. Vintage (One hour race)

r. No Quad classes will receive year end points. Clubs may run quad classes following the last bike class.

2. All motorcycles must have matching numbers on all 3

number plates. Colored number plate backgrounds to designate classes are recommended:

AA: Red A: White B: Yellow C: Black

+30: Black +40: Blue +50: Green

+60: White

3. A riders overall point totals for the year will be based on the total number of series events less the riders lowest two scores. Points awarded for an event will be final one week after they are initially publicly published. Point total protests are not allowed after the one week time period. Hare Scramble and GP points will be 30-25-21-18-16-15-14, etc. Points are awarded only to District 16 members. Non District 16 members will be removed from the daily finish positions prior to the point calculation.

4. Riders will receive worker points for up to three events per year in which they work an event. For the first event of the year a rider works, they will receive 35 points towards their class and state ranking total. For the second and third events of the year that a rider works, they will receive the average score that they were awarded for each event they raced, up until that race, or a minimum of 21 points per race. The average score will be calculated without the point totals for events that a rider received worker points. Worker points will apply towards the workers designated class and the state overall rank.

5. Designated track marshals or sweepers will run, throughout the entire day of racing, to help lost or injured riders. No one else is allowed on the track.

6. Eligible bikes for the Vintage class include 1990 or older with no brake, displacement or engine cooling system requirement.
7. A racer who stops to aid another rider who has sustained serious injuries will be awarded the average of his/her points per event earned for the season for the event in which he/she stopped to render help. Or, at the discretion of the referee, the racers lap effected by the down rider situation will be adjusted according to the average of the previous laps in that event. The helping rider must remain with the injured rider until qualified help arrives.
8. All class advancement will be determined by the official AMA Advancement system.
9. Signup closes 30 minutes prior to start of your race
