### Determining Age

•**Youth classes** including PeeWee, Mini, and Schoolboy - age is based on rider age on January 1st of new season. Example; if your child is 6 years old on January 1st, they may ride 51cc 4-6 through the current season.

•**Amateur classes** include all other classes. Your eligibility is based on your actual birth date. Example, you turn 30 years of age July 1, that day, and after you may participate in the +30 class.

•**For complete rules**, see the AMA rule book, and supplementary rules under “RULES” at [www.amadistrict16.com](http://www.amadistrict16.com)

### Selecting your MX numbers

**If renewing from year prior, #'s are only held through Feb. 7th.**

Include several choices, numbers assigned first come, first serve. If your choices are unavailable, we will assign one. Numbers 1-10 are reserved for prior year's top finishers. *Choices may not begin with a zero or have letters, and must contain two or three digits.*

*The more classes you select, the harder it may be to get your choice.*

# Completing Your District 16 Application

## Consider the on-line registration!

All you'll need is a credit card, e-mail address for the receipt and your AMA membership number. It is a far better option.  
If using this form above, fill it out and mail it in with payment.

The form is actually pretty simple, but here are a few important notes to avoid potential problems.

*When in doubt about classes, age requirements or such, always review the rules in the AMA Rule book, and Supplementary rules on our [www.amadistrict16.com](http://www.amadistrict16.com) web site under "Rules"*

- Total cost \$37, \$32 prior to Feb 7 if done online.
- AMA number is your membership number from AMA, not your racing number. It is usually 5-7 digits.
- Primary Interest, please choose one, but know you can compete, and collect points in any D16 event you wish.
- Off-road; GP, Hare Scrambles, Enduro riding number, indicate your request, most scoring is done electronically and you'll need a bar code available at events.
- Dirt Track numbers, use last two of your AMA number.
- Dual Sport, Trials and Road; numbers are NOT issued for these divisions.

### MOTOCROSS ONLY:

Motocross Numbers, bottom half of the application:

- 1-10 are reserved for prior year's winners if they choose to race that number. NO leading zero's (0) or any part of the alphabet allowed.
- MX, we will hold your prior year's number in your same prior year class until the deadline. Example: you raced 250C with #123 this year and you are racing 250A, B or C, if you get your renewal in by the deadline and request the same number you will get it in that class.

### •Motocross class categories:

51cc classes*	numbers 11-999
65cc*, 85cc*	numbers 11-999
Schoolboy* and 250A, B, C	numbers 11-999
Open A, B, C	numbers 11-999
+25A/B, +30A, B, +40, +50	numbers 11-999
Women	numbers 11-999
125cc, 14-24 B/C, 2-Stroke	numbers 11-999

*\*Indicates Youth based class for determining age.*

- If were a C rider and move up to B level, you will be able to keep your number in that class if you renew by the deadline. If you were B in 250 and now are also 30 years old, and want to also race vet, you would be guaranteed your number in 250, but adding a class does not guarantee that number in the added/ new class.

- After deadline all numbers that are not renewed will be released on a first come first served basis. If you are renewing one or more classes without any changes your application will be processed asap after the deadline or sooner. If you have any number or class changes your application will be on hold (in order received) until all "same" applications are processed. Then once numbers are released after the February 7th deadline, all applications will be processed as quickly as possible.

**Return to this site each year to register as we do not send reminders at year-end**
