## **Update from AMA District 16**

Many of you have asked for an update regarding our 2020 season.

It is hard to update with information changing daily. We would like to start by noting that the board of directors for AMA District 16, are not in a position to cancel events for clubs and promoters. We are here to support clubs and promoters, offering them guidance, as we all work through the daily changes of Covid-19.

Like Districts around us, we encourage all our clubs and promoters to comply with all federal, state and local guidelines. With that said, we believe this, unfortunately will impact our events early on in our season.

We are suggesting clubs and promoters hold off cancelling/postponing events, to allow all chances of hosting. We encourage clubs and promoters to develop safety plans for social distancing as the government starts to allow people to gather after the stay safe at home act is complete. We ask riders to be patient with clubs and promoters as they adjust to the regulations they may be facing.

Covid-19 changes so often it makes it difficult for clubs and promoters to answer your magic question... "is your event still on?" For the most up-to-date information regarding events, please watch social media sites of our clubs and promoters as well as our website [www.amadistrict16.com](http://www.amadistrict16.com). We will do our best to keep our events accurate.

Please keep your local dealerships in mind as you prepare for your riding season. Many of them are offering curbside pick up and shipping options. They will need everyone's support to get through this pandemic.

District 16 clubs and promoters are doing their best to make 2020 the best year yet. We are hearing great things about the upcoming events. More incentives and riding opportunities!!! The local tracks will need your support more than ever when this is over.

We are hoping for a healthy 2020 season for all of our riders and families.

I know everyone is as eager as I am to get out in the dirt!
